Dear Friends and Family,

I will be riding from Hayden to Gulf Shores (300+ miles) to promote awareness that **the cycle of addiction can be broken** and to raise contributions for Alabama Teen Challenge.

For more than 50 years Teen Challenge has been providing quality, low cost recovery programs for individuals of all ages.

Although I have benefited from my time in the program, this ride is not about me. **It is about the 19 million Americans who need help with their addiction.** Please help me exceed my goal of \$1000.

ARE YOU IN?
