

TEAMATC BIKE TOUR

breaking the cycle®

Dear Corporate Partner,

We will be riding from Hayden to Gulf Shores (300+ miles) to promote awareness that the cycle of addiction can be broken and to raise contributions for Alabama Teen Challenge. For more than 50 years Teen Challenge has been providing quality, low cost recovery programs for individuals of all ages. Although I have benefited from my association with the program, this ride is not about me. It is about the 19 million Americans who need help with their addiction. Are you in?
